

# Adam Heath Visit

**Prepared by**

**Vinita Sharat**

Round Square Representative

Central Program Lead STEAM

Shiv Nadar School

**Mr. Adam Heath, the Headmaster of Ballarat Grammar School, situated in Victoria, Australia, paid a visit to our Noida Campus on September 25th, 2023.**

During his visit, he conveyed his keen interest in engaging with both our staff and students. He highlighted that his school places equal emphasis on achieving exceptional academic results while also nurturing the holistic development of character in their students, with the goal of preparing them to make a positive impact on the world.

Ms Jayati, our Teaching Learning Lead, gave the presentation on our philosophy. After which he interacted with the Senior Leaders Team and our Principal, Ms Anju Soni.

We organized a comprehensive half-day schedule, which is enclosed with this email. Mr. Heath's itinerary included observations of classes in grades 4, early years, and grade 7. Additionally, he had the opportunity to meet with our CGC Head, Ms. Nitina, and was notably impressed by the remarkable placements our students secured. He also had discussions with Ms. Pooja, our People Partnership officer, gaining insights into the competitive admission process in today's world.

### **DOE Ms Shashi Banerjee sharing the Mission and Vision of Shiv Nadar Foundation**

Furthermore, Mr. Heath expressed his admiration for the Research and Writing lab located in the International Curriculum building. He thoroughly enjoyed interacting with our Student Government Body and was impressed by their work. Upon our request, he graciously agreed to explore the possibility of collaboration between the student government bodies of our two schools.
