

SHIV NADAR SCHOOL GURGAON

BATCH OF 2021 GRADE X RESULT SUMMARY

Dear Grandparents, Parents and Students,

Namaskar!!!

The batch 2020-21 will always be a special batch; as they have faced, adapted and braved the unusual year with a smile on their face. Our students have emerged stronger, resilient and stoic through many disruptions in their routine and life. However, it is time to rejoice and celebrate the achievements of the Grade X Board results that were declared on 3rd August, 2021. Though the Board had opted for a non-examination route, the comprehensive policy of tabulation included marks of Grade X School examinations- 10% weightage to Periodic Test; 30% weightage to First Term Examination and 40% weightage to Pre Board Examination. In addition, the subject averages and overall average were to be maintained based on the historical data and aligning the same in consonance of the reference year provided by the Board. Despite the challenges all our students have performed brilliantly raising the overall average of the School to 86.36% (all five subjects). We are grateful to our committed staff members who have always individually mentored the students to achieve the best.
