CELEBRATING STRENGTHS

When we seek to discover the best in others we somehow bring out the best in ourselves.

William Arthur Ward

Disability inclusion is an essential condition to upholding human rights, sustainable development, and peace and security. It is also central to the promise of the 2030 Agenda for Sustainable Development to leave no one behind. The commitment to realizing the rights of persons with disabilities is not only a matter of justice; it is an investment in a common future.
