

Essential Calendar Agreements	
1	Integrity of the Calendar will be maintained at all times. In exceptional times, changes will be made post due approval of the Principal, CEO, Deputy CEO and the DoE.
2	School works on a multi-model instructional design. There will be times when the instructional days might change from physical to online dependent on the weather condition and State govt. holidays. Online classes must follow the SOP of synchronous/ asynchronous engagements.
3	Holidays marked in the Calendar are in alignment with the State Holidays. Hence there may be slight variation in the number of holidays/ working days for the respective Campuses.
4	Assessments are not a stand alone event. They are on-going and will be designed in a manner that they are followed by a full-day of learning engagements. Hence there will be no half days .
5	<p>The mandatory working days as per the CBSE compliance are as follows Nursery to Grade 2 - 185 to 190 days Grade 3 to 5 - 196 days Grade 6 to 12 - 210 days</p> <p>The mandatory working hours as per the IB compliance DP - 240 teaching hours for HL subjects - 150 teaching hours for SL subjects MYP - 50 hours per subject</p>
6	<p>Total number of working days for Noida Campus Students - 201 Teachers - 232</p>
7	No uncalendered events
8	Some Saturdays, to account for loss of learning, owing to unexpected closures on account of various reasons, will be working for Students
9	EY and PY to have calendered half day, once in a quarter, from July, 2025
10	Periodic Reflection Time - Dates will be plugged as per the availability of the respective Team members
11	8 planned meeting for Central SPOCS - respective campus teams
12	The SDP will be self reviewed every three months.
13	Most Government / State Holidays are included in the Calendar. Unscheduled State/ Government Holidays will be dealt with as they come.
14	Note - Noida Campus would like to host TAISI / SAIBSA / IB Heads Regional Meetings. Date is not fixed yet.
